- Sponsors are invited to promote **Wood & Forest (W&F)** and their participation in the event in their advertizing material, including website, Facebook page and other social networks. In return, Boisés Est, W&F's organizer, commits to similarly support their forest-related activities.
- Boisés Est hopes to develop longer term relationships with its W&F sponsors. Please note that, beyond attracting those involved in the wood and forest industry sectors, we are trying to make the general public aware of our forest heritage's value.
- Sponsors who are members of Boisés Est are encouraged to identify themselves as such on their signs or banners. The necessary logo will be provided.
- Boisés Est and the Riceville Agricultural Society, which owns the grounds, deny any responsibility for any damage or loss that may occur to the sponsor's property on the site.
- By signing the Sponsor Registration Form, sponsors participating in the Wood & Forest event agree to the above-mentioned conditions.
